Kansas Severe Weather Awareness Week March 1-5, 2021

The National Weather Service and Kansas Division of Emergency Management have announced March 1st thru 5th as **Severe Weather Awareness Week** in Kansas.

Local outdoor warning sirens will be activated the morning of Tuesday, March 2, 2021 at 10 am to signify the start of the annual Tornado Drill. If the weather is threatening on Tuesday, the drill will be postponed until Thursday, March 4, 2021 at 10 am.

Kansas Severe Weather Awareness Week is an ideal time to prepare for severe weather that can occur in Kansas. Practice your weather safety plan and know where to go should severe weather strike in Doniphan County.

Questions and concerns about severe weather preparedness or the annual tornado drill should be directed to the Doniphan County Emergency Management Office at 985-2229.
